Party & Event Rental Terms and Conditions

Rental rates are for a reasonable event period. Under most circumstances, equipment rented for a Saturday or Sunday function will be due in the following Monday for a one day rental charge. Weekly Rates are available at 2X Event Charge.

Security is your responsibility! Equipment must be protected from disappearance and weather related damage while in your possession. Special containers are provided for your china, silver, glassware and other items to insure that you receive them in as near perfect condition as possible. All dishware should be free of food and repacked in the same containers as delivered and linens should be shaken out and dry. If linens become wet while in your possession please allow them to air dry, they must never be put in a heated dryer.

Payment:

A deposit of 20% of the total anticipated rental is required to confirm a reservation and the balance is due prior to delivery. Linen, Tents, and Grills require 100% deposit. Master Card, Visa, American Express, Discover, checks and cash are accepted as forms of payment. Customers are required to provide identification and a credit (not debit) card guarantee. Deposits are refundable up to 7 days prior to the rental.

Order changes:

It is not unusual for guest counts to change as the event date approaches. We encourage you to make a "best guess" estimate when placing your original reservation and adjustments as you become aware of the need. We will make every effort to accommodate those changes and simply ask that final edits be made a minimum of two working days before delivery. Once preparation has begun, changes will incur an additional charge.

Delivery and Pickup Service

Optional delivery service is available for orders of \$70.00 rental value or greater, with cost based on location. Rates are available at www.taylorrentalrockaway.com. We manage the order of our stops in such a way that we can serve all our customers in an efficient manner and at a reasonable cost. When we reach our expected capacity, we may need to deliver during the days preceding the requested time or pickup later than desired.

Standard delivery and pickup charges are for tailgate service. Additional charge will apply for any steps, elevators or significant distance that must be navigated at the event venue. Customers are asked to advise us, in advance, of any anticipated challenges so that we can budget the necessary time and labor to accomplish the job without jeopardizing our service to others.

Unfortunately, even after we stop accepting orders, late changes to existing orders and other unexpected events frequently cause a shuffling of the delivery runs. You may call our store at any time on the day of delivery and we will make a sincere effort to estimate the time of our arrival, based on the information that is available at the time of your call.

Set-up and Takedown Service

For an additional fee of \$75 per hour, set-up and takedown service can also be arranged for tables, chairs and a few other items. Arrangements for this service must be made in advance, as it is subject to the availability of labor.
