

Select Series Tractors

X500 Multi-Terrain

Select Series™ X500 Tractors are built to mow larger lawns, and have features to keep the operator more comfortable in rough conditions. X500 Multi-Terrain tractors are built tough and can handle a wide range of attachments like rear-tine tillers, dirt blades, and hi-capacity material collection systems. They are ideal for homeowners with lawns up to 5 acres in size and with intricate landscaping, varied terrain, and other yard maintenance requirements. All X500 Tractors have Kawasaki Engines and are built to last 40-100% longer than the X300 Series. All sold setup and serviced with a full tank of fuel. A \$100 setup and delivery charge applies.

Service & Maintenance Plans

Power Place Service Plans - "Hands-Free" Coverage Keeps You Up and Running. PPSP makes owning John Deere equipment a 'hands-free' proposition. You can keep going strong and eliminate your time spent maintaining equipment for up to four years. That's because everything your equipment needs is included – oil changes, coolant, spark plugs and other maintenance parts – even transportation for scheduled maintenance services. And since all work is performed by certified John Deere dealer professionals using genuine John Deere parts, you'll have the confidence of knowing your equipment will continue to perform at its peak.
